

# **FUPCDC contributions using eScrip**

Fall 2008

# What is eScrip Card Registration Program?

- A simple, year round program in which participating business partners contribute to non-profit organizations (for example, FUPCDC)
- Contributions based on everyday purchases of registered FUPCDC members
- Program features on-line sign up and report access at [www.escrip.com](http://www.escrip.com)
- Nothing special to purchase, no receipts to collect
- Automatic – tracked from grocery cards, debit/credit cards, frequent user cards

# How does the eScrip program work?

- FUPCDC members register any or all of our existing grocery loyalty, debit and credit cards with eScrip
- Participating merchants will make contributions to FUPCDC, based on our purchases, by using the cards we have registered. Contributions vary by merchant
