

FALL CLEAN UP: The annual fall cleanup will be Saturday, October 2nd starting at 9:00 AM. The trees need to be trimmed and the courtyard needs work, too. If you are able to come for a couple of hours we can get a lot of work done as a group. We were able to put down a good amount of mulch in the Spring and flowers were planted. Now that most of the growing is done, it's time to prune. If you have tools, great, bring them! If not, that's fine, we will have tools to use. Thank you! The Rain Date will be October 9th.
